

Camp Volunteers

Camp Counselors (20-25 needed)

- Camp Counselors are overnight staff who stay in cabins with kids.
- Each Counselor is assigned 2 kids to nurture and experience camp activities with as cheerleaders. They will get to know the hearts of their kids and help speak God's love into their hearts.
- Counselors will not be responsible to creating or leading camp activities, but they will participate with their kids.

Counselor Financial Contribution: \$250 to cover fulltime expenses. We are calling this a mission trip and asking Counselors to cover this cost both to help offset the budget and to be vested as part of their commitment to the kids. Counselors can raise their support through tax deductible contributions from their friends and family.

Programming Staff: (Fulltime day and evening hours, but optional overnight stay)

- Worship Team: bass, electric, drums, etc.
